

for Internal Multi-location Meetings in the Enterprise Sector

Large companies with multiple branch offices are required to stay connected and hold to review sales branch-wise and discuss performances of each department. Managers and other key stakeholders are all required to be present at such important meetings.

The Issue

The PeopleLink Solution

What are Your Needs:

Geographically dispersed organization

Challenge of bringing all participants to one single location

Travel and accommodation costs

PeopleLink InstaVC: **Connect, discuss, review**

- Discuss budget allocations for each department.
- Conduct board meetings.
- Review financials every quarter.
- Growth and expansion plans.

Bring together dispersed teams onto one platform

Involve all key stakeholders of the organization

To discuss important matters such as recruitment strategies and policy changes
