The lens can be adjusted up and down, supporting Angle and elevation shooting, focusing more accurately

➢ **Audio and video integration** Supporting InstaVC, and other online communication softwares.

➢ **UVC 100 audio High-tech**
- 360-degree mic coverage
- 256ms acoustic echo cancellation
- Full duplex
- Dynamic Noise Reduction(DNR)

➢ **Portable external microphone and speaker**
No driver needed; Clear, unmixed and soft sound quality; Elegant business appearance

Product Specifications

Architecture :

Video parts: including lens, image sensor, digital signal processing chip, USB interface controller.

Omnidirectional microphone parts: including broadband speakers, digital microphone, echo and noise suppression processing unit, audio signal processing and control unit, USB interface control unit, touch input button, circular indicator, USB cable.

Power :
- USB cable supply (5V / 500 mA)

Lens:
- 1/2.8, fixed focus, 110° degree Angle

Image sense :
- Full HD CMOS sensor

Video :
- 1080P (1920*1080 pixel)

Network interface :
- Mini USB2.0

Microphone :
- Digital microphones
- Frequency response : 100Hz-8000Hz
- Sensitivity : -22dB@1kHz(0dB=1V/Pa)

Loudspeaker :
- 10 adjustable range up to 94dBA
- Frequency response : 300 Hz to 22 KHz

Audio :
- Digital audio processing
- 256ms echo cancellation
- Dynamic noise reduction
- full duplex
- 360 degree pick-up range

PeopleLink

Product Specifications

Computer system :

- Windows 7, 10 / Mac OSX8.1 or 10.7 or higher operating system, etc

Function :

- support computer software audio and video - InstaVC, etc.
- HD video conference
- circle indicator
- microphone on/off
- volume up/down

Touch Keypad :

- microphone mute
- volume up
- volume down

Circle indicator :

- **Green light is always on**   : work normally
- **Red light is always on**   : Microphone is disabled
- **Green light flashing**   : Adjusting volume
- **Green light flash slowly**   : Speakers are disabled
- **camera light are always on** : camera work
- **Green and red light flash alternately and slowly** : - microphone and speakers are both disabled

Recommended conditions :

- **temperature**   : 5°~44°
- **humidity**   : 20~85% condensation free
- **noise level**   : <48db
- **storage temperature**   : -10°~55°C
- **Reverberation time**   : <0.5 seconds

Packaging Information

Color :

- Black

Weight :

- 465g

Size :

- 235*62*62mm
- 270*230*83mm(package)

Contents

- UVC 100
- USB Cable
- Quick User Guide

Warranty :

- 1 year Warranty
