

PeopleLink Interact 21M (21.5" Inch Touch Mon)

Key Features

- **Display** : 21.5" Inch Touch Monitor
- **Cover glass** : Tempered cover glass
- **Bonding** : Air bonding
- **Backlight** : ELED

The PeopleLink Interact 21M is a touchscreen display with Full HD resolution (1920 x 1080) that supports up to 10-point multi-touch input. It offers a seamless touch experience with gestures like tapping, pinching, and swiping. It is compatible with major operating systems such as Windows, macOS, Android, Chrome OS, and Linux. The display works with a stylus* and can even detect input from hands, enabling precise selection, dragging, and drawing. The Interact 21M features a built-in tempered cover glass, ensuring resistance against surface damage from sharp objects. It also includes touch screen technology, vibrant true colors, and various connectivity options including VGA, USB, HDMI, and DVI ports.
